Croeso! The new season is upon us, and we at Tanat Valley Coaches are very excited about the trips and tours that we have to offer you. However, before you dive into the pages of this brochure to find your perfect day out, a holiday or relaxing short break, allow me to extend a whole-hearted and warm welcome.

2014 was a great year and the positive feedback we received throughout re-affirmed our confidence in what Tanat Valley offers ... friendly, capable drivers, consistent quality and a thoroughly enjoyable travel experience. 2015 is all about building on this with a varied schedule that really does pick out the best of what our fair Isle has to offer.

Aside from firm favourites such as the Autumn Tints, the International Sheepdog Trials (this year at Lockerbie, Scotland), transport festivals and railways, 2015 is also your chance to explore the coastal beauty of Devon’s Jurassic Coast - 5 days of relaxation and wonder. We will also transport you to the beautiful Cumbrian Lakes; the Derbyshire Dales; days out to the lovely harbour town of Tenby, or the Italian-styled Portmeirion; we are even visiting the “Little Venice” of the Cotswolds, Bourton-on-the-Water.

There is magic within these pages. Not only details of our popular day trip to The Harry Potter Experience (this will be our second year at Hogwarts!), but there is also the opportunity to take your family to experience the magic of Disneyland Paris, to enjoy thrilling rides and meet some of your children’s (and your?) favourite Disney characters.

Personally, I cannot wait to enjoy the poetry, art and general bookish fun of the Hay Festival, without the hassle of getting there myself, allowing the “bus to take the fuss”! For those wanting bigger laughs for their entertainment book one of our front row tickets for The Full Monty … but ... be sure to “Leave Your Hat On”!

All at TVC are committed to the quality of your travel experience and are proud to announce the arrival of our two latest coaches, beautifully upholstered, comfortable and already proving their worth on the road, transporting passengers on fun-filled trips out in the latter part of 2014. However, if you are after a more “retro” mode of transport, you are welcome to join us for a Black & White Village Tour aboard our 1962 Leyland Tiger Cub (which is also available for hire).

We really can’t wait to start the new season and share these wonderful experiences with you, your family and friends (new & old). I have only touched upon the travel delights this brochure has to offer and there is something for everyone within. So, as soon as you wish to make your booking, or if you have any enquiries, please contact our helpful and considerate staff in the booking office and allow the Tanat Valley team to make this year an enjoyable adventure.

Looking forward to travelling with you,

Matt Morris
